Racial Demographics

Leander and nearby Liberty Hill, Texas are both growing communities in the Hill Country of Williamson County that provide convenient commutes to Austin.

The rapid expansion of these towns is projected to continue and so is the need for reformed churches in the area. This area is in great need of the gospel.

Because we live, work, and worship within these communities, the people of the South Texas Presbytery and the Reach South Texas (RST) Church Planting Network are able to address the specific needs of newly planted churches in the area.

RST is committed to planting a church in the Leander Liberty Hill area that is soaked with Gospel life so that it embodies God's grace in worship, community and mission.
